

# Samuel Advanced Fabrication (SAF) QUALITY DEPARTMENT

## Quality Policy

We are Customer-Driven and Committed to Being “Your Complete Solution Provider” for ISO, AISC, ASME, and Other Custom and Repetitive Fabrication, Machining, and Equipment Solutions.

SAF Continuously Focuses On:

1. Customer Satisfaction;
2. Agile Processes and a Well-Trained Employee Base;
3. Implementation and Continual Improvement of our Quality Systems;
4. Delivering Products On-Time and of the Highest Quality.
